# WE ARE HERE FOR ALL YOUR PORTRAITURE NEEDS

---

## BREAKING FROM THE PACK

Ardent photography is an on-site photography company powered by an artistic perspective and the concept that simplicity is best. I want to capture the reality of the event and the true

personality of the people involved. Whether you are looking for class photographs, individual portraits, or action shots, I am here to offer you an alternative to the market standard.

Is it enough to have a printed image of a specific time in your life or do you want photographs you can proudly hang on your walls; art with you as the center piece? Don't settle for what you have been told is your only option. Portraits with an artistic touch that showcase your personality are available with Ardent Photography.

## THE NON-STUDIO IMAGE

Ardent specializes in natural lighting, unique poses and candid moments. I let you find your comfort zone and then work from there. The only limit for wardrobe or background changes is the amount of time for your session. If you are going for the one perfect pose, a half hour session may be the right fit, but if you want to pick and choose from different backgrounds and clothing styles, an hour or more may be necessary. Unlike most studios, Ardent has moved away from the pre-formed package and allows you to pick and choose your prints from wallets to large format sizes. I also offer online viewing of your proofs so that you can review them and decide which pose is the best.

## THE PARTICULARS

Ardent Photography offers quality matte portraits with sizes ranging from wallets, which come four to a sheet, to large format 16x20 prints. Larger sizes and canvas prints are also available by request. Photo sessions are \$75 per half hour and a travel fee may apply. All sitting fees are due at the end

of the photo session. Sepia and black and white prints are available by request at no extra charge. Photographs take approximately a week to process, so please keep this in mind when you make your appointment. When your photographs are done, I will send you a link to a web page of your proofs. If you have any special requests, please let me know. I am here to help with all of your portraiture needs.

Please check out the website for more information and to view examples of my work.
